Get Wisdom! **Discernment** Discussion Questions (More questions are available in the back of the book and songs and other resources are available online):

1. The definition of discernment speaks of seeing the difference in good and bad. Where is the primary place, we find out what is good and bad? Who are some of the most important people who can help you know the difference between good and bad?
2. How are you to know the difference between good and best? Will these things be in the Bible clearly? Does the Bible help you to know the difference? How can your parents help in this?
3. How does sin and not listening to parents cause you not to be discerning and why?
4. What other helps are there to be discerning? Discuss these with your parents.
