Get Wisdom! **Joyfulness** Discussion Questions (More questions are available in the back of the book and songs and other resources are available online):

1. The definition of joyfulness says that God is working all things for my good. This means God is in control and is “for us” (Rom. 8:31). Discuss what it means in our daily lives.
2. The definition says we can be joyful even when we are sad. Sometimes we think joy is like happiness. Discuss how joy and happiness are not always the same.
3. One reason we can be joyful is because we trust in the Lord (Ps. 33:20-21). Discuss how these relate and how we can be joyful if we are trusting in the Lord.
4. We do not need to despair, but sometimes we do because we are not trusting in the Lord. When this happens confess this to the Lord and ask him to give you more faith to increase your joy. Also, think of how Jesus was also joyful, for us.
