

Get Wisdom! **Repentance** Discussion Questions (More questions are available in the back of the book and songs and other resources are available online):

1. Repentance is a change of mind and heart. Why is it hard to change your mind and heart?
2. The natural thing to do when you do something wrong is to conceal it (Prv. 28:13). How do you conceal or try to cover your sin?
3. Instead of doing what is natural to us God calls us to turn from our sin to God in confession. What does confession look like? Why is it better to confess than to cover?
4. Jesus never had to repent because he was without sin. His work did make repentance possible. Ask him to help you to have the power, from Him, to turn from your sin and always repent.
