

Get Wisdom! **Love** Discussion Questions (More questions are available in the back of the book and songs and other resources are available online):

1. Love is important to God. It is part of how we fulfill the whole law, by loving God and our neighbor as ourselves (See Matthew 22:37-40). What are ways you can love others.
2. Loving others is hard. This is because we tend to think of ourselves first. Philippians 2:3 says we are to consider others more important than ourselves. Think of how you tend to be selfish and consider yourself more important than others.
3. Jesus is the best picture of love. Read with your parents Philippians 2:1-10. It shows how we are to love others and shows how Jesus is our great example in this. Discuss this with your parents
4. When we set our minds on Christ and how much he loves us this will overflow in our love for others. Read Ephesians 3:19 and discuss the Love of Christ and how it surpasses knowledge and how this overflows in love for neighbor.
